HOPE FOR OUR COMMON HOME – An Opportunity for Reflection:

In 2019 our Parish Mission theme was 'A future full of hope'; 2020 has certainly challenged that message but hope is fundamental to our Faith. Jesuit Missions have developed a workshop for us to reflect on hope, in which we can explore the concepts of dignity of the human person, solidarity and the common good. Spread over 3 consecutive evenings, each session will be approximately one hour long. We will run the sessions either face to face or online, depending on the rules at the time. Dates for the events will be confirmed in early September.

Mass in a time of covid19. Changes you Need to Know

1. **Currently there is no Sunday obligation required** and parishioners who have concerns about numbers can always attend mass during the week when social distancing will be less of a problem.
2. **The wearing of Face Coverings is now MANDATORY** in Places of Worship – except for those who are exempt from doing so. With the introduction of wearing of face coverings **we have changed to a 1.5 metre distancing rule in place of the 2 metre one.**
We will still use only every other bench for the time being.
3. There is no booking system and attendance works on a first come basis.
4. There is some room in the choir loft and the Lady Chapel.
5. Entrance to the church is only through the main entrance.
The side entrance and the main entrance are both be used for parishioners exiting the church after mass.
6. All double doors will be opened for the exit.
7. Sorry, the Toilet is not be available at mass times.
8. All parishioners should use the hand sanitizing gel on entering the church.
If anyone has an allergy to certain gels they should bring their own with them.
9. A mass sheet is provided at all masses and these must be taken home by parishioners and not left on the benches.
10. Parishioners are advised that money for the 1st and 2nd collections should be put in the box (1st Collection) or bucket (2nd Collection) as they enter the main body of the church.
11. No collection will be made during mass.
12. There will be no Prayers of the Faithful, no offertory procession and no exchange sign of peace.
13. When approaching the sanctuary for Holy Communion, there will be no floor markings to denote the social distancing of 1.5 metres Parishioners will be expected to use their common sense. If the person in front of them is not part of their “bubble” they should allow a two-bench distance between them.
14. At Communion the Eucharist will be distributed by Fr Anthony and Michael Jones * from behind the altar railings. Communion will be given silently in the

hand only. When they approach Fr Anthony or Michael Jones, they should unloop their face coverings and consume the Sacred Host and then replace the face covering before moving back to the pews.

15. People should receive with their arms at “full stretch” so that there is a good distance between them. Their hands, palms upwards, one on top of the other, should be extended as flatly as possible. Having received Holy Communion, communicants should move back to their seats via the side aisles.
The Precious Blood will NOT be offered.
16. There can be no singing at mass. Music will be played by individuals at the Sun 8.30am mass. Recorded music may be used at the 10.30am mass and maybe at Sat 6.00pm. Should a hymn be played we are not to join in with the singing.
17. Whilst all children are welcome at masses, parents need to be mindful that they have to remain in their family “bubble” and toddlers must not run around the church for their own safety.
18. On entry all sanitise hands, then the Government says every individual/family are asked to sign on (like Pubs)
* Michael has kindly volunteered to be at all 3 masses to Serve, Read and Distribute Communion. Hence the sanctuary will always be a safe area and we avoid complicated rotas and instructions etc.

Weekly Contributions & Gift Aid/Standing Orders

Since lockdown many of you have been unable to give in your normal weekly contributions. Like many others your church has suffered financially as a result.

For those of you already on our **Gift Aid Scheme** (including those on **Standing Order**) please collect your **new Envelopes** from the back of church. For those not yet on the scheme please do consider joining up. If you are a UK taxpayer, Gift Aid is a wonderful way to make your offertory donation more valuable to CTK. Also, you have the option of setting up a **Standing Order** which makes it even easier to make a regular contribution to the parish. Please download & complete the forms which are available from our website - www.christthekingparish.org.uk & also on our **Facebook page**. Completed forms can be returned either by email to our parish office or put through the Presbytery door. Many thanks
