Parish Forum – meeting

Please note that, as mentioned last weekend; the time of the Saturday evening Mass will be brought forward from 7:00pm to 6:00pm as and from the first Saturday in November of this year.

Further discussion is in process regarding the possibility of having an Icon of Christ in the space over the Tabernacle which is currently covered by the curtain. Older parishioners may remember that originally this space was occupied by a painting depicting the Assumption of Our Lady, so the idea of having an 'image' might be more in keeping with the original design! The idea of bringing the Crucifix forward and repositioning it slightly to the side and towards the front of the Sanctuary is also being considered.

The minutes of the last meeting should be available next weekend on a separate sheet.

Welcome

We welcome Gianluca Ielpi who was baptised here this weekend. We congratulate his family and wish them every blessing.

CAFOD and Zimbabwe

CAFOD informs us that "the Zimbabwean government has instructed all aid agencies to suspend their field operations immediately..... this instruction covers all CAFODs work and that CAFOD has no choice but to suspend all programmes....., including emergency food response, HIV and AIDS work, clean water projects, agricultural and other projects... CAFODs food programme was helping around 80,000 and their development programmes worked with around 200,000 people." This is sad news indeed. CAFOD asks that we continue to remember the people of Zimbabwe in our prayers.
